

## CONSULTING OPHTHALMOLOGISTS, P.C.

Phone: (860) 678-0202 ◆ Fax: (860) 678-0277

### Referral Information

The doctors of Consulting Ophthalmologists are available to provide specialized referral evaluation and treatment, second opinions and consultative advice in all areas of ophthalmology including: cataracts, glaucoma, conditions of the cornea and retina, oculoplastics, and specialty contact lenses.

Our offices are designed to deliver the highest quality patient care in a convenient and personalized setting using the latest in both diagnostic and treatment technologies. Diagnostic services include visual fields, ultrasonography, corneal topography, optical coherence tomography, and ultra-widefield fluorescein angiography and photography.
